

2022 Annual Fund

The Bishop's Ranch

At the Bishop's Ranch we have a tradition of hospitality that combines service, beauty, creativity, & spirituality to create a unique atmosphere where our visitors can wash the dust of everyday life from their souls amongst the beauty of God's creation.

The cost to provide this hospitality and care for the Ranch's property and land exceeds \$7,500 per day — more than \$50,000 a week. Guest fees cover less than 80% of those costs. The balance of the Ranch's annual costs are funded by donors who support the Annual Fund.

Donors to the Annual Fund are vital to fulfilling the Ranch's mission of Hospitality because they provide direct support to the operating budget, allowing the Ranch to continue as a place where life-changing experiences and treasured moments are born. Making a donation to the Annual Fund ensures the Ranch experience is accessible to people of all walks of life, allowing us to share this special place with anyone who wants to visit. Every gift, no matter the size, helps provide quality retreat and camp experiences for guests of all ages.

You can sustain the legacy of the Ranch by making a gift to our Annual Fund today.

"Welcome back to the Ranch.

*Our doors and gates are wide open
to you as a place of rest, retreat,
and rejuvenation. Our staff and
lands are eager to host you again."*

— Aaron Wright, Executive Director

Annual Fund Goal

To ensure that we have a healthy financial picture, our goal for the 2022 Annual Fund is \$580,000. All aspects of life at the Ranch, including meeting our fundraising goals are centered around community. To meet this goal your financial support is crucial.

Hospitality

As we prepare for living in a post-pandemic world, your support helps the Ranch continue its mission of offering respite and care to the weary and careworn as well as those who seek to grow spiritually and emotionally .

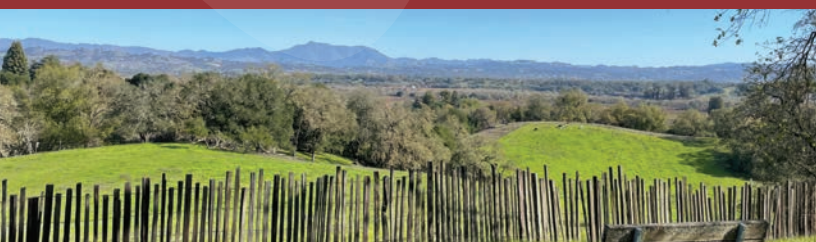

Ranch Programs, Camps & Outside Groups

The Bishop's Ranch has a long tradition of hosting Ranch programs and summer camps for adults and children as well as hosting outside groups for trainings, retreats, celebrations and more. As we transition to less restrictive COVID guidelines, we are eager to offer a safe Ranch experience to as many youth and adults as possible.

Facility & Land Preservation & Protection

Preparing for and building resiliency against future wildfires is essential. Resiliency is a primary element in current Ranch planning. Fuels reduction and back-up power are necessary to protect the special environment of the Ranch.

Inclusiveness

Investing in the Ranch strengthens our outreach to new and existing communities, including those with less access to resources. Our commitment to equity calls for support of new partnerships and more funding to provide broad access to Ranch programs and camps. Our programs, camps, and retreats throughout the year offer experiences for all individuals, from infants to elders.

The Ranch Legacy

We care for the safety and accessibility of the Ranch now and for generations to come — just like the generations before did for us — to ensure the Ranch continues to be a sacred place for all who wish to experience its natural beauty.
